**Personal Bio:**

Marlon was born and raised in Jamaica. Graduating in 2006, he attended law school at St. Thomas University School of Law in Miami. Before law school, Marlon worked as a Financial Services Registered Representative for one of the largest Broker Dealers. Also, he is a serial entrepreneur owning several businesses including an online marketing platform, a local restaurant, a field services company, and becoming a licensed realtor for one of the largest real estate companies. Marlon is married to Nicole Brammer. He has a passion for music as a former recording artist, he loves teaching and the exchange of ideas.

**Business Bio:**

Marlon has experience in estate planning and business counseling. Marlon established BRAMMER, PLLC with the purpose of building stronger families and communities by protecting their legacy and their life-works. The most important work for him is to protect families for future generations as an Estate Planning and Business Lawyer.
