# INTERNATIONAL COUNSEL

Xiaoman PANG has been practicing as an attorney since 1996. She specialises in private equity transactions (mergers and acquisitions, LBO, venture capital, financing and refinancing of acquisition) and acquired her experience within international law firms where she advised investment funds and financial institutions on some of the largest leveraged buy-out transactions in Europe, involving leading players in the buy-out/private equity market place. She also advised French industrial groups for their participation in infrastructure projects in China, as well as small and medium size corporations in creation of joint ventures.

With Pang & Associates, Xiaoman Pang advises international corporations and individuals in their investments in France, including business setup, transmission and acquisition and real estate projects. Through partnership with various boutique law firms, she offers a wide range of services to her clients.

Xiaoman Pang's collaboration with InterVivos focuses on international estate planning, assisting in particular French expatriates residing in the US and providing legally secured and tax efficient solutions for the management and transmission of their assets in their country of origin as well as in the US.

Being trilingual and possessing a multi-cultural profile, she brings to her clients both cultural and legal expertise. She strives to place the human being at the centre of each transaction, taking into account their aspirations and constraints, in order to provide practical and sustainable solutions.

Xiaoman PANG was born in China, and grew up in France. She graduated from the University of Paris I Panthéon Sorbonne, and holds two post graduate degrees respectively in international commercial law and in private law. She speaks French, English and Chinese.
